Girls Inc. of Holyoke Summer Opportunities

**Eureka! Program Facilitators
June 17 to August 9, 2019**

Girls Inc. of Holyoke is accepting resumes for seasonal Eureka! Program Facilitators positions. Applicants should be passionate about education, college accessibility and inspiring girls' interest in STEM (Science, Technology, Engineering, and Math) careers and futures. Eureka! Program Facilitators facilitate the nationally-recognized Eureka! program, a college and career-readiness STEM education program in partnership with the University of Massachusetts, Amherst. Our Eureka scholars are 8th and 9th grade girls, many of whom are first generation college students, curious and creative about STEM.

Program Facilitators who work with Eureka! can expect a fast-paced and transformative summer experience working alongside Girls Inc. directors, as well as UMass professors, to lead an inspiring group of teens, beginning in Holyoke and concluding on UMass's campus.

Applicants with First Aid, CPR and/or Lifeguard certifications are encouraged to apply. High school diploma or GED and a minimum of 2 years of experience working in a summer program or out-of-school environment. Valid Driver's License required. Driver credentialing and CORI checks required. Qualified Section 3 residents are encouraged to apply. EOE

Please send a cover letter, résumé, and names/phone numbers of three references by April 19 to:
