

You're an iCons student. You've done the work.
Maybe you've even written your paper.
Now it's time to...

Make Your Research Look Beautiful

*Learn how at a **poster-making workshop**
led by iCons Alumna Hannah French!*

**Saturday, April 7th from 1 to 3:00 PM
in the ISB (room 329)**

*Discuss what makes a research poster look
good, study real examples, and practice
your own poster-making skills!*

About Hannah: She graduated from UMass Amherst in 2015 with a degree in Environmental Science and has since earned her Master's Degree in Elementary Education. She's passionate about science education and excited to work with YOU!
